This is for the information of all the stakeholders, in particular all the students reading in Crescent Public School that they are hereby notified that the school has decided to completely ban the use of mobile phones by students in the school premises. Mobile phones have become a major irritant during ongoing classes. Constant rings and SMS alerts hamper the academic atmosphere of the school. These also distract the attention of the students and the teachers alike. Henceforth, any student found guilty of bringing a mobile phone to school or even operating one in the school vehicle will face a month-long suspension and his or her phone set will be confiscated by the school authorities. Parents are also requested not to allow their wards to come to school with mobile phones.
