Proposed Fee Structure of School

School is requesting to enhance Tuition Fee @18% and Annual Fee @20%

After Consideration of the details indicating the existing revenue & expenditure statement of the School, the fee structure proposed has been worked & approved by the Committee. This exercise has been undertaken after taking due consideration of the factors for determination of the fee by the committee in terms of Rule-7.

- 1) **The location of Private school (Rural area, Town Panchayat, Municipality, District Headquarters, Corporation;**
- 2) **The availability infrastructure;**
- 3) **The expenditure on administration and maintenance;**
- 4) **The reasonable surplus required for the growth and development of the private school;**
- 5) **Performance of the Private School;**
- 6) **Grant-in aid received by the Private school;**
- 7) **Availability of modern technology;**
- 8) **Any other factor as may be prescribed by the Committee;**
- 9) **Strength of the students;**
- 10) **Status of Private School, as indicated below:**
 - (i) **Private schools having minimum infrastructure facilities as prescribed by the Government from time to time;**
 - (ii) **Private Schools having more than minimum requirement of lab, a greater number of library books, classroom facilities, and other sanitary and drinking water facilities;**

(iii) *Private Schools are fully equipped with modern facilities like, air Conditioner/ centrally heating, smart classes or any other facility.*

While perusing of various factors provided here in supra, it appears that no reckoner has been provided by the rules. The determination made as per the available data regarding revenue & expenditure of the school as indicated in the financial analysis sheet on the basis of the data provided under rules & the Fee has been determined. Admittedly in absence of reckoner only an approximate assessment can be made. The guiding principal in the process of determination of the fee is to strike a balance between the autonomy of the institution & measures to be taken in avoiding commercialization of Education. Reasonable surplus is permissible for the development of various activities in the school for the benefit of students. Reasonable surplus is to be given which would vary up-to 15% under IT guidelines. For utilization of expansion of system & development of Education, one of the factors also required to be taken in consideration is the investment made by the institution for establishing the School as per judgment of the Hon'ble Supreme Court in Islamic academic case. Periodical increase in the salary of the teachers is one of the essential elements which the school is required to provide to such staff. This factor is also to be considered while determination of the Fee. The Fee of the School has been determined after consideration of these factors by laying more emphasizes on the revenue & the expenditure of the School details of which are given herein above.

The aforesaid exercise has been undertaken and fee structure regulated in a manner that excluded the commercialization and profiteering of education completely. The details of their income/expenditure based on previous Fee structure and audit report as well as the expected income/expenditure after raising/slashing the fee is duly recorded in the minutes of the meeting by the committee.

Based on that the following fee structure has been approved: -
